

Zilker Park Map

In 1918, A.J. Zilker deeded the 35 acres surrounding Barton Springs to the City of Austin. In 1932, Zilker agreed to give an additional 330 acres and despite the economic depression of the 1930's the land was developed into Zilker Park.

Within Zilker Park's 358 acres, lies one of the crown jewels of Austin, Barton Springs Pool. Three acres in size, the pool is fed from under ground springs and is on average 68 degrees year round.
